Each year the American Legion Post 254 proudly presents Safety Village as a community event to assist and provide education for the children in our community. The American Legion Safety Village is taught in cooperation with national guidelines and presented to our children in a friendly and realistic atmosphere. Special thanks is offered to the members of the Johnstown Police Department, Johnstown-Monroe Fire Department, Village of Johnstown Administrative Offices, Peterman Bus Company, Happy Tails Veterinary, our instructor Sarah Lenner and the members of the American Legion.

THE MOST IMPORTANT PART OF OUR COMMUNITY IS OUR CHILDREN. AT THE AMERICAN LEGION SAFETY VILLAGE IT IS OUR MISSION TO INTRODUCE SAFE AND PRACTICAL METHODS TO ASSIST YOU IN THE TRAINING OF SAFE PROCEDURES FOR YOUR CHILD TO FOLLOW. THE AMERICAN LEGION SAFETY VILLAGE is a community effort to assure you that your child receives the best possible instruction for safety whether it is at home, at the play-ground, at the store, or at school. Our instructors are here to provide the most up to date methods and courses available for your child’s education in matters of being safe. Classes are conducted by real professional members of our community. Here the class is receiving instruction from our local law enforcement.

TRUTH AND JUSTICE IN THE AMERICAN LEGION SAFETY VILLAGE.

ITS ABOUT YOUR CHILD

IT'S ABOUT THEIR SAFETY

. AT THE AMERICAN LEGION SAFETY VILLAGE, real life situations are used such as the school bus. Here students learn about the proper safety procedures in approaching school buses, while riding in school buses and when leaving school buses. Also the Johnstown-Monroe Fire Department will provide instruction on fire safety, showing students the equipment used in fire fighting and also what to do when they hear emergency vehicles coming down the road or in their neighborhoods and safety procedures when exiting a building or their homes in the event of an emergency. Basic water safety is also taught in the classroom environment. Pictured here is the water safety class taught by “Goldfish Swim School”. At the AMERICAN LEGION SAFETY VILLAGE safety is our theme.

Clases are limited to 40 students

For Fee Schedule and Registration visit “goo.gl/forms/26HNexL8XKG6yd713”

ITS ABOUT LEARNING TOGETHER

HERE STUDENTS SHARE THEIR EXPERIENCE AND HAVE QUALITY TIME IN THE LEARNING PROCESS. IN THE WEEK OF THE AMERICAN LEGION SAFETY VILLAGE, MANY CLASS ROOM HOURS ARE GIVEN.
